

# Crop Nutrition Club East (UK)

**Region:** Nottinghamshire, Norfolk, Leicestershire

**Members:** 6 farms (400-2,200ha) and 2 advisors

**Crops:** Barley, Beans, Carrots, Grass, Maize, Oats, Oilseed Rape, Parsnips, Potatoes, Rye, Sugar Beet & Wheat.

**Livestock:** Sheep, Cattle, Laying Hens

## **Nutrient Management Challenges:**

- Managing & recording data in a way that is helpful for interpretation and for informing future decision making.
- Using data: translating data into actions is a challenge and the optimal way to use data to inform decision making is often unclear.
- Trusted data: accuracy of benchmark nutrient values, inconsistency of results & impact of sampling procedures.
